**Making Animals Healthier and Safer<sup>®</sup>**

**BIOSTONE<sup>™</sup>**  
**ANIMAL HEALTH**

BioStone Animal Health is a Dallas, Texas, USA-based biotechnology company that provides innovative solutions for animal health. As you work to improve both animal health and business performance, we work together with our worldwide partners to offer you a portfolio of animal disease diagnostic products.

## A focus on making animals healthier and safer

Livestock and poultry diagnostics are a critical part of our product portfolio and are inextricably tied to our focus on improving the health of the world's animals. This explains why our scientists continue to develop innovative tests and management strategies for producers, laboratories and veterinarians around the world.

## A strong, reliable partner

Backed by quality, innovation, and expert technical support, BioStone Animal Health USA, together with our worldwide partners, offers a range of diagnostic products and vaccine testing kits to complement our full portfolio of products.

You can be confident that there's a rapidly growing, technology-driven company behind your diagnostics -one that will support its tests and continually develop new products to satisfy your needs for years to come.

BioStone Animal Health R&D activities ensure that our products reflect the cutting-edge of ELISA, lateral flow, and PCR technology, and allow us to continuously launch new and innovative tests.

## 2025 product highlights

- **Avian Influenza Virus H5/H7 (AIV-H5/H7) Real-Time PCR Detection Kit:** Specifically amplifies and detects both H5 and H7 subtypes of avian influenza virus nucleic acid from tissue and throat swabs.
- **African Swine Fever (ASF) I117L Real-Time PCR DIVA (Differentiating Infected from Vaccinated Animals) Assay:** Specifically amplifies and detects ASF virus nucleic acid from the ASF I117L gene in infected pig blood and tissue. This test differentiates between infected and those vaccinated with ASFV-G-ΔI117L.
- **Fowl Adenovirus Group I (FADV-1, 2, 4, 8a, 8b, 11) Antibody Test Kit:** Specifically detects antibodies against six Fowl Adenovirus Group I serotypes (1, 2, 4, 8a, 8b, 11) in chicken serum and plasma.
- **Porcine Circovirus 3 (PCV-3) Antibody Test Kit:** Specifically detect antibodies against Porcine Circovirus 3 (PCV-3) in pig serum and plasma samples.
- **FMDV Type A, O, Asia1, Sat2 Antibodies Competitive ELISA Test Kits:** Specifically detects antibodies against FMDV Type A, O, Asia1, and Sat2, respectively, in serum and plasma samples in bovine, ovine, caprine, or swine origin. This test allows measurement of the efficacy of FMDV vaccines.

## RUMINANTS

| Assay   | Method            | Product Name  | Catalog Number # |          |
|---|-------------------|---|------------------|----------|
|   |                   |   | 5 Plates         | 2 Plates |
| Akabane   | Indirect ELISA    | AsurDx™ Akabane Virus (AKA) Ab Test Kit                                       | 10070-05         | 10070-02 |
| Bluetongue                                      | Indirect ELISA    | AsurDx™ Bluetongue Ab Test Kit  | 10014-05         | 10014-02 |
|   | Competitive ELISA | AsurDx™ Bluetongue Ab cELISA Test Kit   | 10049-05         | 10049-02 |
| Bovine Leukemia                                 | Indirect ELISA    | AsurDx™ Bovine Leukemia Virus gp51 Ab Test Kit                                | 10041-05         | 10041-02 |
| Bovine Viral Diarrhea (BVDV)                    | Indirect ELISA    | AsurDx™ Bovine Viral Diarrhea Virus (BVDV) Antigen Test Kit                   | 10044-05         | 10044-02 |
|   | Competitive ELISA | AsurDx™ Bovine Viral Diarrhea Virus (BVDV) Antibody Test Kit                  | 10061-05         | 10061-02 |
| Brucellosis                                     | Indirect ELISA    | AsurDx™ Brucella Abortus Ab (Bovine) Test Kit                                 | 10008-05         | 10008-02 |
|   | Indirect ELISA    | AsurDx™ Brucella Ovis Ab Test Kit   | 10009-05         | 10009-02 |
|   | Indirect ELISA    | AsurDx™ Brucella Antibodies Test Kit (Bovine/Ovine/Caprine)                   | 10022-05         | 10022-02 |
|   | Competitive ELISA | AsurDx™ Brucella Multispecies Ab cELISA Test Kit                              | 10043-05         | 10043-02 |
| Capripox Virus                                  | Indirect ELISA    | AsurDx™ Capripox Antibody Test Kit  | 10071-05         | 10071-02 |
| Caprine Arthritis Encephalitis Virus (CAEV/MVV) | Indirect ELISA    | AsurDx™ CAEV/MVV Antibody Test Kit  | 10097-05         | 10097-02 |
| Chlamydia Abortus                               | Indirect ELISA    | AsurDx™ Chlamydia Abortus Antibody Test Kit                                   | 10021-05         | 10021-02 |
| Clostridium Perfringens (PLC)                   | Indirect ELISA    | AsurDx™ Clostridium Perfringens Alpha Toxin Antibody Test Kit                 | 10084-05         | 10084-02 |
| Epizootic Hemorrhagic Disease (EHDV)            | Indirect ELISA    | AsurDx™ Epizootic Hemorrhagic Disease Virus (EHDV) Antibodies cELISA Test Kit | 10048-05         | 10048-02 |
| Foot and Mouth Disease (FMDV)                   | Indirect ELISA    | AsurDx™ FMDV Multispecies Antibodies Test Kit (Bovine/Ovine/Caprine/Swine)    | 10040-05         | 10040-02 |
|   | Competitive ELISA | AsurDx™ FMDV Type A Antibody cELISA Test Kit                                  | 10065-05         | 10065-02 |
|   | Competitive ELISA | AsurDx™ FMDV Type O Antibody cELISA Test Kit                                  | 10089-05         | 10089-02 |
|   | Competitive ELISA | AsurDx™ FMDV Type Asia1 Antibody cELISA Test Kit                              | 10090-05         | 10090-02 |
|   | Competitive ELISA | AsurDx™ FMDV Type SAT2 Antibody cELISA Test Kit                               | 10105-05         | 10105-02 |

| Assay                             | Method | Product Name  | Catalog Number #   | Spec |
|-----------------------------------|--------|---|--------------------|------|
| Bacillus anthracis                | PCR    | AsurDx™ Bacillus anthracis (Bac) Nucleic Acid PCR Reagents                        | BAC 2050-RT        | 50T  |
|                                   | PCR    | AsurDx™ Bacillus anthracis (pagA, cap, rpoB genes) Triple PCR Reagents            | BAC Triple 4050-RT | 50T  |
| Bluetongue                        | RT-PCR | AsurDx™ Bluetongue Virus (BTV) PCR Reagents                                       | BTV 2050-RT        | 50T  |
| Bordetella bronchiseptica         | PCR    | AsurDx™ Bordetella bronchiseptica (Bb) PCR Reagents                               | Bp 2050-RT         | 50T  |
| Bovine Adenovirus                 | PCR    | AsurDx™ Bovine Adenovirus (BAV) PCR Reagents                                      | BAV 2050-RT        | 50T  |
|                                   | PCR    | AsurDx™ Bovine Adenovirus Type 3 (BAV-3) PCR Reagents                             | BAV-3 2050-RT      | 50T  |
| Bovine Babesia                    | PCR    | AsurDx™ Bovine Babesia (BBaP) PCR Reagents  | BBaP 2050-RT       | 50T  |
| Bovine Contagious Pleuropneumonia | PCR    | AsurDx™ Bovine Contagious Pleuropneumonia (CBP) PCR Reagents                      | CBP 2050-RT        | 50T  |
| Bovine Coronavirus                | RT-PCR | AsurDx™ Bovine Coronavirus (BCoV) PCR Reagents                                    | BCoV 2050-RT       | 50T  |
| Bovine Enteric Virus              | RT-PCR | AsurDx™ Bovine Enteric Virus (BEV) PCR Reagents                                   | BEV 2050-RT        | 50T  |
| Bovine Infectious Rhinotracheitis | PCR    | AsurDx™ Bovine Infectious Rhinotracheitis (IBR) PCR Reagents                      | IBR 2050-RT        | 50T  |
| Bovine Leukemia Virus             | RT-PCR | AsurDx™ Bovine Leukemia Virus (BLV) PCR Reagents                                  | BLV 2050-RT        | 50T  |
| Bovine Lumpy Skin Disease         | RT-PCR | AsurDx™ Bovine Lumpy Skin Disease (LSD) PCR Reagents                              | LSD 2050-RT        | 50T  |
| Bovine Mastitis                   | PCR    | AsurDx™ Bovine 4-Unit Bovine Mastitis Pathogen PCR Reagents                       | B4 5050-RT         | 50T  |
|                                   | RT-PCR | AsurDx™ Bovine 8-in-1 Nucleic Acid PCR Reagents                                   | B8 9050-RT         | 50T  |
| Bovine Mycobacterium avium        | PCR    | AsurDx™ Bovine Mycobacterium avium subspecies paratuberculosis (MAP) PCR Reagents | MAP 2050-RT        | 50T  |
| Bovine Mycoplasma                 | PCR    | AsurDx™ Bovine Mycoplasma (BMP) PCR Reagents                                      | BMP 2050-RT        | 50T  |
| Bovine Norovirus                  | RT-PCR | AsurDx™ Bovine Norovirus (BNoV) PCR Reagents                                      | BNoV 2050-RT       | 50T  |
| Bovine Parainfluenza              | RT-PCR | AsurDx™ Bovine Parainfluenza Virus Type 3 (BPIV-3) PCR Reagents                   | BPIV-3 2050-RT     | 50T  |
| Bovine Pasteurella Multocida      | PCR    | AsurDx™ Bovine Pasteurella Multocida (HS) PCR Reagents                            | HS 2050-RT         | 50T  |
| Bovine Viral Diarrhea             | PCR    | AsurDx™ Five Types of Diarrhea-causing E.coli PCR Reagents                        | ECO 6050-RT        | 50T  |
|                                   | RT-PCR | AsurDx™ Bovine Viral Diarrhea Virus (BVDV) PCR Reagents                           | BVDV 2050-RT       | 50T  |
| Brucellosis                       | PCR    | AsurDx™ Brucella (BRU) PCR Reagents   | BRU 2050-RT        | 50T  |
| Caprine Arthritis-Encephalitis    | RT-PCR | AsurDx™ Caprine Arthritis-Encephalitis Virus (CAEV) PCR Reagents                  | CAEV 2050-RT       | 50T  |
| Clostridium perfringens           | PCR    | AsurDx™ Clostridium perfringens (CP) PCR Reagents                                 | CP 2050-RT         | 50T  |
|                                   | PCR    | AsurDx™ Clostridium perfringens Type A (CP-A) PCR Reagents                        | CP-A 2050-RT       | 50T  |
|                                   | PCR    | AsurDx™ Clostridium perfringens Triple PCR Reagents                               | CP-ABCD 4050-RT    | 50T  |
|                                   | PCR    | AsurDx™ Clostridium perfringens Type C (CP-C) PCR Reagents                        | CP-C 2050-RT       | 50T  |
| Echinococcosis                    | PCR    | AsurDx™ Echinococcosis (EMD) PCR Reagents   | EMD 2050-RT        | 50T  |
| Escherichia Coli                  | PCR    | AsurDx™ Escherichia Coli (COLI) PCR Reagents                                      | COLI 2050-RT       | 50T  |
| Hantavirus (HTNV)                 | RT-PCR | AsurDx™ Hantavirus (HTNV) PCR Reagents  | HTNV 2050-RT       | 50T  |
| Hemolytic Mannheimia              | PCR    | AsurDx™ Hemolytic Mannheimia (MH) Acid PCR Reagents                               | MH 2050-RT         | 50T  |

| Peste des Petits Ruminants       | RT-PCR | AsurDx™ Peste des Petits Ruminants Universal Type (PPRV-U) PCR Reagents                             | PPRV U 2050-RT   | 50T  |
|                                  | RT-PCR | AsurDx™ Peste des Petits Ruminants Wild Strain and Vaccine Strain (PPRV-W PPRV-V) Dual PCR Reagents | PPRV W-V 3050-RT | 50T  |
| Q Fever Rickettsia               | PCR    | AsurDx™ Q Fever Rickettsia (QFR) Nucleic Acid Amplification PCR Reagents                            | QFR 2050-RT      | 50T  |
| Reovirus                         | RT-PCR | AsurDx™ Reovirus Type 3 (REO-3) PCR Reagents  | REO-3 2050-RT    | 50T  |
| Rift Valley Fever                | RT-PCR | AsurDx™ Rift Valley Fever Virus (RVF) PCR Reagents  | RVF 2050-RT      | 50T  |
| Rotavirus                        | RT-PCR | AsurDx™ Bovine Rotavirus (BRV) PCR Reagents   | BRV 2050-RT      | 50T  |
| Sheep Infectious Pleuropneumonia | PCR    | AsurDx™ Sheep Infectious Pleuropneumonia (MCC) PCR Reagents   | MCC 2050-RT      | 50T  |
| Sheep Pasteurella                | PCR    | AsurDx™ Sheep Pasteurella (SHS) PCR Reagents  | SHS 2050-RT      | 50T  |
| Sheep Pox                        | PCR    | AsurDx™ Sheep Pox (SPP) PCR Reagents  | SPP 2050-RT      | 50T  |
| Sheep Pox, Bovine Lumpy Skin     | PCR    | AsurDx™ Sheep Pox, Bovine Lumpy Skin Disease (GPV/LSD) Dual PCR Reagents                            | GPV-LSD 3050-RT  | 50T  |
| Tritrichomonas                   | PCR    | AsurDx™ Tritrichomonas (TtA) PCR Reagents   | TtA 2050-RT      | 50T  |

## SWINE

| Assay                                 | Method            | Product Name  | Catalog Number # |          |
|---------------------------------------|-------------------|---|------------------|----------|
|                                       |                   |   | 5 Plates         | 2 Plates |
| Actinobacillus pleuropneumoniae (APP) | Indirect ELISA    | AsurDx™ Actinobacillus pleuropneumoniae (APP) Ab Test Kit         | 10079-05         | 10079-02 |
| African Swine Fever (ASF)             | Competitive ELISA | AsurDx™ African Swine Fever (ASF) Antibody bELISA Test Kit        | 10057-05         | 10057-02 |
|                                       | Indirect ELISA    | AsurDx™ African Swine Fever (ASF) I177L Antibody bELISA Test Kit  | 10102-05         | 10102-02 |
|                                       | Indirect ELISA    | AsurDx™ African Swine Fever (ASF) Antibody Test Kit               | 10058-05         | 10058-02 |
| Brucellosis                           | Indirect ELISA    | AsurDx™ Brucella Antibodies Test Kit (Bovine-Ovine-Caprine-Swine) | 10023-05         | 10023-02 |
|                                       | Competitive ELISA | AsurDx™ Brucella Multispecies Ab cELISA Test Kit                  | 10043-05         | 10043-02 |
| Classic Swine Fever (CSFV)            | Indirect ELISA    | AsurDx™ CSFV Antibody Test Kit                                    | 10038-05         | 10038-02 |
|                                       | Competitive ELISA | AsurDx™ Classic Swine Fever (CSFV) Antibody bELISA Test Kit       | 10064-05         | 10064-02 |
|                                       | Indirect ELISA    | AsurDx™ Classic Swine Fever (CSFV) Erns Antibody Test Kit         | 10068-05         | 10068-02 |
| Clostridium Perfringens Alpha Toxin   | Indirect ELISA    | AsurDx™ Clostridium Perfringens Alpha Toxin Antibody Test Kit     | 10084-05         | 10084-02 |
| Foot and Mouth Disease (FMDV)         | Competitive ELISA | AsurDx™ FMDV Type A Antibody cELISA Test Kit                      | 10065-05         | 10065-02 |
|                                       | Competitive ELISA | AsurDx™ FMDV Type O Antibody cELISA Test Kit                      | 10089-05         | 10089-02 |
|                                       | Competitive ELISA | AsurDx™ FMDV Type Asia1 Antibody cELISA Test Kit                  | 10090-05         | 10090-02 |
|                                       | Competitive ELISA | AsurDx™ FMDV Type SAT2 Antibody cELISA Test Kit                   | 10105-05         | 10105-02 |
| Influenza A Virus (IAV)               | Competitive ELISA | AsurDx™ Influenza A Virus (IAV) H5 Antibody cELISA Test Kit       | 10052-05         | 10052-02 |
| Japanese Encephalitis (JEV)           | Indirect ELISA    | AsurDx™ Japanese Encephalitis (JEV) Antibody Test Kit             | 10100-05         | 10100-02 |
| Lawsonia Intracellularis              | Indirect ELISA    | AsurDx™ Lawsonia Intracellularis Antibody Test Kit                | 10083-05         | 10083-02 |
| Mycoplasma Hyopneumoniae (MHP)        | Indirect ELISA    | AsurDx™ Mycoplasma Hyopneumoniae (MHP) Antibody Test Kit          | 10082-05         | 10082-02 |

# ELISA Test Kits

## SWINE

| Assay  | Method            | Product Name  | Catalog Number # |          |
|--|-------------------|---|------------------|----------|
|  |                   |   | 5 Plates         | 2 Plates |
| Nipah Virus (NIV)                                    | Indirect ELISA    | AsurDx™ Nipah Virus (NIV) Antibody Test Kit                       | 10101-05         | 10101-02 |
|  | Competitive ELISA | AsurDx™ Nipah Virus (NIV) Multispecies Antibodies cELISA Test Kit | 10103-05         | 10103-02 |
| Porcine Circovirus                                   | Indirect ELISA    | AsurDx™ Porcine Circovirus 2 (PCV-2) Antibody Test Kit            | 10096-05         | 10096-02 |
|  | Indirect ELISA    | AsurDx™ Porcine Circovirus 3 (PCV-3) Antibody Test Kit            | 10086-05         | 10086-02 |
| Porcine Deltacoronavirus (PDCoV)                     | Indirect ELISA    | AsurDx™ Porcine Deltacoronavirus (PDCoV) Antibody Test Kit        | 10092-05         | 10092-02 |
| Porcine Reproductive and Respiratory Syndrome (PRRS) | Indirect ELISA    | AsurDx™ PRRS Antibody Test Kit                                    | 10020-05         | 10020-02 |
|  | Indirect ELISA    | AsurDx™ PRRS GP5 Antibody Test Kit                                | 10099-05         | 10099-02 |
| Porcine Epidemic Diarrhea (PEDV)                     | Indirect ELISA    | AsurDx™ Porcine Epidemic Diarrhea Virus (PEDV) IgG Ab Test Kit    | 10055-05         | 10055-02 |
|  | Indirect ELISA    | AsurDx™ Porcine Epidemic Diarrhea Virus (PEDV) IgA Ab Test Kit    | 10056-05         | 10056-02 |
| Senecavirus A  | Indirect ELISA    | AsurDx™ Senecavirus A (SVA) Ab Test Kit                           | 10039-05         | 10039-02 |
| Toxoplasma Gondii                                    | Indirect ELISA    | AsurDx™ Toxoplasma Gondii Ab Test Kit                             | 10067-05         | 10067-02 |
| Trypanosoma evansi                                   | Indirect ELISA    | AsurDx™ T. evansi Antibody Test Kit                               | 10025-05         | 10025-02 |

| Assay                          | Method | Product Name  | Catalog Number #              | Spec |
|--------------------------------|--------|---|-------------------------------|------|
| Actinobacillus Pleuropneumonia | PCR    | AsurDx™ Swine Actinobacillus Pleuropneumonia (APP) PCR Reagents   | APP 2050-RT                   | 50T  |
|                                | PCR    | AsurDx™ Swine Actinobacillus Pleuropneumonia (APP), Pasteurella Multocida, and Swine Pneumonia Mycoplasma Triple PCR Reagents | APP-SPA-MHP 4050-RT           | 50T  |
| African Swine Fever            | PCR    | AsurDx™ African Swine Fever Virus Type 1 and 2 (ASFV-1/2) Dual PCR Reagents   | ASFV 1-2 3050-RT              | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus Type 1, Type 2, Chimeric Triple PCR Reagents  | ASFV 1-2-M 3050-RT            | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus One-Step Pre-mixed Solution PCR Reagents  | ASFV 2050-RT                  | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus PCR Reagents (with Internal Control Type 1)   | ASFV 2050-RT-B1               | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus PCR Reagents (with Internal Control Type 2)   | ASFV 2050-RT-B2               | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus PCR Reagents (with Internal Control Type 3)   | ASFV 2050-RT-B3               | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus I177L Gene (ASFV-I177L) PCR Reagents  | ASFV I177L 2050-RT            | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus P72, CD2v, MGF Triple PCR Reagents  | ASFV P72-CD2v-MGF 4050-RT     | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus P72 EGFP Mcherry Triple PCR Reagents  | ASFV P72-EGFP-Mc 4050-RT      | 50T  |
|                                | PCR    | AsurDx™ African Swine Fever Virus P72 and I177L Gene Dual PCR Reagents  | ASFV P72-I177L 3050-RT        | 50T  |
|                                | RT-PCR | AsurDx™ African Swine Fever, Classical Swine Fever, PRRSV, Pseudorabies Virus gB Quadruple PCR Reagents                       | ASFV-CSFV-PRRSV-PRVgB 5050-RT | 50T  |
| Chlamydia                      | PCR    | AsurDx™ Swine Chlamydia (ORN) PCR Reagents  | SC 2050-RT                    | 50T  |
| Classical Swine Fever          | RT-PCR | AsurDx™ Classical Swine Fever Universal Type (CSFV-U) PCR Reagents  | CSFV U 2050-RT                | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever Wild Strain (CSFV-W) PCR Reagents   | CSFV W 2050-RT                | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever Wild Strain, Vaccine Strain (CSFV-W/V) Dual PCR Reagents  | CSFV W-V 3050-RT              | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever and PRRSV (CSFV, PRRSV) Dual PCR Reagents   | CSFV-PRRSV 3050-RT            | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever and PRRSV High Pathogenic Strain (CSFV, PRRSV-M) Dual PCR Reagents                              | CSFV-PRRSV M 3050-RT          | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever, PRRSV, FMDV Triple PCR Reagents  | CSFV-PRRSV-FMDV 4050-RT       | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever, PRRSV, PCV-2, FMDV Quadruple PCR Reagents  | CSFV-PRRSV-PCV2-FMDV 5050-RT  | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever, PRRSV, Pseudorabies Virus gB Triple PCR Reagents   | CSFV-PRRSV-PRVgB 4050-RT      | 50T  |
|                                | RT-PCR | AsurDx™ Classical Swine Fever, PRRSV, Pseudorabies Virus gB, and PCV-2 Quadruple PCR Reagents                                 | CSFV-PRRSV-PRVgB-PCV2 5050-RT | 50T  |

# Real-Time PCR Test Kits

## SWINE

| Assay   | Method | Product Name  | Catalog Number #              | Spec |
|---|--------|---|-------------------------------|------|
| Classical Swine Fever                                       | RT-PCR | AsurDx™ Classical Swine Fever, PRRSV, Pseudorabies Virus Wild Strain (gE), and PCV-2 Quadruple PCR Reagents   | CSFV-PRRSV-PRVgE-PCV2 5050-RT | 50T  |
|   | RT-PCR | AsurDx™ CSFV-U / PRRSV-U Dual PCR Reagents  | CSFV-U PRRSV-U 3050-RT        | 50T  |
| Cysticercus   | PCR    | AsurDx™ Cysticercus (CC) PCR Reagents   | CC 2050-RT                    | 50T  |
| Foot and Mouth Disease (FMDV)                               | RT-PCR | AsurDx™ FMD Virus Type A PCR Reagents   | FMDV A 2050-RT                | 50T  |
|   | RT-PCR | AsurDx™ FMD Virus Type Asia1 PCR Reagents   | FMDV A1 2050-RT               | 50T  |
|   | RT-PCR | AsurDx™ FMD Virus Type O PCR Reagents   | FMDV O 2050-RT                | 50T  |
|   | RT-PCR | AsurDx™ FMD Virus Type O, Type A Dual PCR Reagents  | FMDV O-A 3050-RT              | 50T  |
|   | RT-PCR | AsurDx™ FMD Virus Type O, Type A, Type Asia1 Triple PCR Reagents  | FMDV O-A-A1 4050-RT           | 50T  |
|   | RT-PCR | AsurDx™ FMD Virus Universal Type (FMDV-U) PCR Reagents  | FMDV U 2050-RT                | 50T  |
|   | RT-PCR | AsurDx™ FMD Virus / Seneca Valley Virus (FMDV/SV) Dual PCR Reagents   | FMDV-SV 3050-RT               | 50T  |
| Getah Virus   | RT-PCR | AsurDx™ Swine Getah Virus (GETV) PCR Reagents   | GETV 2050-RT                  | 50T  |
| Haemophilus parasuis  | PCR    | AsurDx™ Haemophilus parasuis (HPS) PCR Reagents   | HPS 2050-RT                   | 50T  |
| Hepatitis A Virus   | RT-PCR | AsurDx™ Hepatitis A Virus (HAV) PCR Reagents  | HAV 2050-RT                   | 50T  |
| Japanese Encephalitis Virus                                 | RT-PCR | AsurDx™ Japanese Encephalitis Virus (JEV) PCR Reagents  | JEV 2050-RT                   | 50T  |
| Lawsonia Intracellularis                                    | PCR    | AsurDx™ Swine Lawsonia Intracellularis (LI) PCR Reagents  | LI 2050-RT                    | 50T  |
| Leptospira  | PCR    | AsurDx™ Leptospira (Lep) PCR Reagents   | Lep 2050-RT                   | 50T  |
| Lymphocytic Choriomeningitis Virus                          | RT-PCR | AsurDx™ Lymphocytic Choriomeningitis Virus (LCMV) PCR Reagents  | LCMV 2050-RT                  | 50T  |
| Mycoplasma Pneumonia (MHP)                                  | PCR    | AsurDx™ Swine Mycoplasma Pneumonia (MHP) PCR Reagents   | MHP 2050-RT                   | 50T  |
| Nasal Mycoplasma (MyP)                                      | PCR    | AsurDx™ Swine Nasal Mycoplasma (MyP) PCR Reagents   | MyP 2050-RT                   | 50T  |
| Porcine Parvovirus  | PCR    | AsurDx™ Porcine Parvovirus (PPV) PCR Reagents   | PPV 2050-RT                   | 50T  |
|   | PCR    | AsurDx™ Porcine Parvovirus Type 1-7 (PPV-1/2/3/4/5/6/7) PCR Reagents  | PPV 8050-RT                   | 50T  |
|   | PCR    | AsurDx™ Porcine Parvovirus, Pseudorabies Virus, and Circovirus Type 2 (PPV, PRV-gB, PCV2) Triple PCR Reagents | PPV-PRV-PCV2 4050-RT          | 50T  |
| Porcine Reproductive and Respiratory Syndrome Virus (PRRSV) | RT-PCR | AsurDx™ PRRSV-C, PRRSV-M, PRRSV-NADC30, PRRSV-NADC34 Quadruple PCR Reagents                                   | PRRSV C-M-NADC30-34 5050-RT   | 50T  |
|   | RT-PCR | AsurDx™ PRRSV European Strain PCR Reagents  | PRRSV EU 2050-RT              | 50T  |
|   | RT-PCR | AsurDx™ PRRSV European Strain and American Strains Dual PCR Reagents  | PRRSV EU-NA 3050-RT           | 50T  |
|   | RT-PCR | AsurDx™ PRRSV High Pathogenic PCR Reagents  | PRRSV M 2050-RT               | 50T  |
|   | RT-PCR | AsurDx™ PRRSV American Strain (PRRSV-NA) PCR Reagents   | PRRSV NA 2050-RT              | 50T  |
|   | RT-PCR | AsurDx™ PRRSV North American Strain, Classical Swine Fever Virus Wild Type Dual PCR Reagents                  | PRRSV NA-CSFV W 3050-RT       | 50T  |

## SWINE

| Assay   | Method | Product Name  | Catalog Number #          | Spec |
|---|--------|---|---------------------------|------|
| Porcine Reproductive and Respiratory Syndrome Virus (PRRSV) | RT-PCR | AsurDx™ PRRSV NADC30 Strain PCR Reagents  | PRRSV NADC30 2050-RT      | 50T  |
|   | RT-PCR | AsurDx™ PRRSV NADC30, NADC34 Strain Dual PCR Reagents   | PRRSV NADC30-34 3050-RT   | 50T  |
|   | RT-PCR | AsurDx™ PRRSV NADC34 Strain PCR Reagents  | PRRSV NADC34 2050-RT      | 50T  |
|   | RT-PCR | AsurDx™ PRRSV American Strain High Pathogenicity (Including Internal Control) Triple PCR Reagents         | PRRSV NA-M 4050-RT        | 50T  |
|   | RT-PCR | AsurDx™ PRRSV Universal PCR Reagents  | PRRSV U 2050-RT           | 50T  |
|   | RT-PCR | AsurDx™ PRRSV Universal, Swine Circovirus Type 2 and Type 3 Triple PCR Reagents                           | PRRSV U-PCV2-PCV3 4050-RT | 50T  |
|   | RT-PCR | AsurDx™ PRRSV Low and High Pathogenicity (PRRSV-W/M) Dual PCR Reagents                                    | PRRSV W-M 3050-RT         | 50T  |
| Pseudorabies Virus  | PCR    | AsurDx™ Pseudorabies Virus Universal Type - Wild Strain Dual PCR Reagents                                 | PRV 3050-RT               | 50T  |
|   | PCR    | AsurDx™ Pseudorabies Virus Universal Type - Wild Strain (Including Internal Control) Triple PCR Reagents  | PRV 4050-RT               | 50T  |
|   | PCR    | AsurDx™ Pseudorabies Virus Universal Type (PRV-gB) PCR Reagents   | PRV gB 2050-RT            | 50T  |
|   | PCR    | AsurDx™ Pseudorabies Virus Wild Strain (PRV-gE) PCR Reagents  | PRV gE 2050-RT            | 50T  |
|   | PCR    | AsurDx™ Pseudorabies Virus Wild Strain gE/gD (PRV-gE/gD) Dual PCR Reagents                                | PRV gE-gD 3050-RT         | 50T  |
|   | RT-PCR | AsurDx™ Pseudorabies Virus Wild Strain - Porcine Circovirus Type 2 (PRV-gE PCV2) Dual PCR Reagents        | PRV gE-PCV2 3050-RT       | 50T  |
| Rotavirus   | RT-PCR | AsurDx™ Swine Rotavirus (RV) PCR Reagents   | SRV 2050-RT               | 50T  |
| Seneca Valley Virus   | RT-PCR | AsurDx™ Seneca Valley Virus (SV) PCR Reagents   | SV 2050-RT                | 50T  |
| Streptococcus   | PCR    | AsurDx™ Swine Streptococcus Type 2 (SS-2) PCR Reagents  | SS2 2050-RT               | 50T  |
|   | PCR    | AsurDx™ Swine Streptococcus and Haemophilus parasuis (SS, HPS) Dual PCR Reagents                          | SS-HPS 3050-RT            | 50T  |
|   | PCR    | AsurDx™ Swine Streptococcus, Haemophilus parasuis, and Actinobacillus pleuropneumonia Triple PCR Reagents | SS-HPS-APP 4050-RT        | 50T  |
|   | PCR    | AsurDx™ Swine Streptococcus Universal (SS-U) PCR Reagents   | SSU 2050-RT               | 50T  |
|   | PCR    | AsurDx™ Swine Streptococcus Universal and Streptococcus Type 2 (SS-U/2) Dual PCR Reagents                 | SSU-SS2 3050-RT           | 50T  |
| Swine Acute Diarrhea Syndrome Coronavirus                   | RT-PCR | AsurDx™ Swine Acute Diarrhea Syndrome Coronavirus (SADS-CoV) PCR Reagents                                 | SADS-CoV 2050-RT          | 50T  |
| Swine Bocavirus   | PCR    | AsurDx™ Swine Bocavirus (PBoV) PCR Reagents   | PBoV 2050-RT              | 50T  |
| Swine Circovirus  | PCR    | AsurDx™ Swine Circovirus Universal Type (PCV-U) PCR Reagents  | PCV U 2050-RT             | 50T  |
|   | PCR    | AsurDx™ Swine Circovirus Type 2 (PCV2) PCR Reagents   | PCV2 2050-RT              | 50T  |

|---|--------|---|----------------------------|------|
| Swine Circovirus                          | PCR    | AsurDx™ Swine Circovirus Type 2 and Type 3 (PCV2/PCV3) Dual PCR Reagents  | PCV2-PCV3 3050-RT          | 50T  |
|   | PCR    | AsurDx™ Swine Circovirus Type 3 (PCV3) PCR Reagents   | PCV3 2050-RT               | 50T  |
| Swine Circovirus and Pseudorabies         | PCR    | AsurDx™ Swine Circovirus and Pseudorabies Virus gE (PCV, PRV-gE) Dual PCR Reagents  | PCV-PRV-gE 3050-RT         | 50T  |
| Swine Coronavirus                         | RT-PCR | AsurDx™ Swine Coronavirus and Acute Diarrhea Syndrome Coronavirus Dual PCR Reagents   | PCoV SADS-CoV 3050-RT      | 50T  |
| Swine Delta Coronavirus (δ-PCoV)          | RT-PCR | AsurDx™ Swine Delta Coronavirus (δ-PCoV) PCR Reagents   | δ-PCoV 2050-RT             | 50T  |
| Swine Epidemic Diarrhea                   | RT-PCR | AsurDx™ Swine Epidemic Diarrhea Virus PCR Reagents  | PEDV 2050-RT               | 50T  |
|   | RT-PCR | AsurDx™ Swine Epidemic Diarrhea Virus (Including Endogenous Gene) PCR Reagents  | PEDV 3050-RT-C             | 50T  |
|   | RT-PCR | AsurDx™ Swine Epidemic Diarrhea, Rotavirus, and Delta Coronavirus Triple PCR Reagents                                       | PEDV-PRV-PCoV 4050-RT      | 50T  |
|   | RT-PCR | AsurDx™ Swine Epidemic Diarrhea, Transmissible Gastroenteritis, and Delta Coronavirus Triple PCR Reagents                   | PEDV-TGEV-PCoV 4050-RT     | 50T  |
|   | RT-PCR | AsurDx™ Swine Epidemic Diarrhea, Transmissible Gastroenteritis, and Acute Diarrhea Syndrome Coronavirus Triple PCR Reagents | PEDV-TGEV-SADS CoV 4050-RT | 50T  |
| Swine Erysipelas Bacterium                | PCR    | AsurDx™ Swine Erysipelas Bacterium (SER) PCR Reagents   | SER 2050-RT                | 50T  |
| Swine Erythrocytic Body                   | PCR    | AsurDx™ Swine Erythrocytic Body (SEP) PCR Reagents  | SEP 2050-RT                | 50T  |
| Swine Influenza Virus                     | RT-PCR | AsurDx™ Swine Influenza Virus (SIV) PCR Reagents  | SIV 2050-RT                | 50T  |
|   | RT-PCR | AsurDx™ Swine Influenza Virus H1N1 Type Dual PCR Reagents   | SIV H1N1 3050-RT           | 50T  |
| Swine Transmissible Gastroenteritis Virus | RT-PCR | AsurDx™ Swine Transmissible Gastroenteritis Virus (TGEV) PCR Reagents   | TGEV 2050-RT               | 50T  |
|   | RT-PCR | AsurDx™ Swine Transmissible Gastroenteritis, Epidemic Diarrhea, Rotavirus, and Delta Coronavirus Quadruple PCR Reagents     | TGEV-PEDV-PRV-PCoV 5050-RT | 50T  |
| Swine Vesicular Disease                   | RT-PCR | AsurDx™ Swine Vesicular Disease Virus (SVDV) PCR Reagents   | SVDV 2050-RT               | 50T  |
| Torque Teno Virus (TTV)                   | PCR    | AsurDx™ Torque Teno Virus (TTV) PCR Reagents  | TTV 2050-RT                | 50T  |
| Toxoplasma                                | PCR    | AsurDx™ Swine Toxoplasma (TOX) PCR Reagents   | STOX 2050-RT               | 50T  |

## POULTRY

| Assay                              | Method         | Product Name  | Catalog Number # |          |
|------------------------------------|----------------|---|------------------|----------|
|                                    |                |   | 5 Plates         | 2 Plates |
| Avian Encephalomyelitis (AE)       | Indirect ELISA | AsurDx™ Avian Encephalomyelitis (AE) Antibody Test Kit                  | 10032-05         | 10032-02 |
| Avian Influenza                    | Indirect ELISA | AsurDx™ Avian Influenza Antibody Test Kit                               | 10017-05         | 10017-02 |
| Avian Leukosis Virus (ALV)         | Indirect ELISA | AsurDx™ Avian Leukosis Virus (ALV) p27 Antigen Test Kit                 | 10026-05         | 10026-02 |
|                                    | Indirect ELISA | AsurDx™ Avian Leukosis Virus (ALV) Antibody Test Kit                    | 10027-05         | 10027-02 |
|                                    | Indirect ELISA | AsurDx™ Avian Leukosis Virus Subgroup J (ALV-J) Antibody Test Kit       | 10028-05         | 10028-02 |
| Avian Pneumovirus (APV/ART/TRT)    | Indirect ELISA | AsurDx™ Avian Pneumovirus (APV/ART/TRT) Antibody Test Kit               | 10060-05         | 10060-02 |
| Avian Reovirus (REO)               | Indirect ELISA | AsurDx™ Avian Reovirus (REO) Antibody Test Kit                          | 10029-05         | 10029-02 |
| Chicken Anemia Virus (CAV)         | Indirect ELISA | AsurDx™ Chicken Anemia Virus (CAV) Antibody Test Kit                    | 10033-05         | 10033-02 |
| Egg drop syndrome (EDS 76)         | Indirect ELISA | AsurDx™ Egg drop syndrome (EDS 76) Antibody Test Kit                    | 10066-05         | 10066-02 |
| Fowl Adenovirus                    | Indirect ELISA | AsurDx™ Fowl Adenovirus Group I (FADV-1) Antibody Test Kit              | 10034-05         | 10034-02 |
|                                    | Indirect ELISA | AsurDx™ Fowl Adenovirus Group I (FADV-2) Antibody Test Kit              | 10075-05         | 10075-02 |
|                                    | Indirect ELISA | AsurDx™ Fowl Adenovirus Group I (FADV-4) Antibody Test Kit              | 10076-05         | 10076-02 |
|                                    | Indirect ELISA | AsurDx™ Fowl Adenovirus Group I (FADV-8ab) Antibody Test Kit            | 10077-05         | 10077-02 |
|                                    | Indirect ELISA | AsurDx™ Fowl Adenovirus Group I (FADV-11) Antibody Test Kit             | 10078-05         | 10078-02 |
|                                    | Indirect ELISA | AsurDx™ Fowl Adenovirus Group I (FADV-1,2,4,8a,8b,11) Antibody Test Kit | 10107-05         | 10107-02 |
| Infectious Bronchitis Virus (IBV)  | Indirect ELISA | AsurDx™ Infectious Bronchitis Virus (IBV) Antibody Test Kit             | 10045-05         | 10045-02 |
| Infectious Bursal Disease (IBD)    | Indirect ELISA | AsurDx™ Infectious Bursal Disease (IBD) Antibody Test Kit               | 10030-05         | 10030-02 |
| Infectious Laryngotracheitis (ILT) | Indirect ELISA | AsurDx™ Infectious Laryngotracheitis (ILT) Antibody Test Kit            | 10037-05         | 10037-02 |

## POULTRY

| Assay  | Method | Product Name   | Catalog Number #     | Spec |
|--|--------|--|----------------------|------|
| Avian Influenza                              | RT-PCR | AsurDx™ Avian Influenza Virus H9N2 Dual PCR Reagents   | AIV H9N2 3050-RT     | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus HXNY Dual PCR Reagents   | AIV HXNY 3050-RT     | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N1 PCR Reagents  | AIV N1 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N10 PCR Reagents   | AIV N10 2050-RT      | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N1/N2/N6/N8 Quadruple PCR Reagents   | AIV N1N2N6N8 5050-RT | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N1N9 Dual PCR Reagents   | AIV N1N9 3050-RT     | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N2 PCR Reagents  | AIV N2 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N3 PCR Reagents  | AIV N3 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N4 PCR Reagents  | AIV N4 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N6 PCR Reagents  | AIV N6 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N8 PCR Reagents  | AIV N8 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus N9 PCR Reagents  | AIV N9 2050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus Universal Type (AIV-U) PCR Reagents  | AIV U 2050-RT        | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus Universal Type/Newcastle Disease Virus (AIV-U NDV) Dual PCR Reagents               | AIV-U NDV 3050-RT    | 50T  |
|  | RT-PCR | AsurDx™ Avian Influenza Virus Universal Type/Newcastle Disease Virus Wild Strain (AIV-U/NDV-M) Dual PCR Reagents | AIV-U NDV-M 3050-RT  | 50T  |
| Avian Leukosis                               | RT-PCR | AsurDx™ Avian Leukosis Virus (ALV) PCR Reagents  | ALV 2050-RT          | 50T  |
|  | RT-PCR | AsurDx™ Avian Leukosis Virus A/B Subtypes Dual PCR Reagents  | ALV AB 3050-RT       | 50T  |
|  | RT-PCR | AsurDx™ Avian Leukosis Virus A/B/J Subtypes Triple PCR Reagents  | ALV ABJ 4050-RT      | 50T  |
|  | RT-PCR | AsurDx™ Avian Leukosis Virus J Subtype PCR Reagents  | ALV J 2050-RT        | 50T  |
|  | RT-PCR | AsurDx™ Avian Leukosis Virus J/AB Subtypes PCR Reagents  | ALV JAB 3050-RT      | 50T  |
| Avian Metapneumovirus                        | RT-PCR | AsurDx™ Avian Metapneumovirus (AMPV) PCR Reagents  | AMPV 2050-RT         | 50T  |
| Avian Parvovirus                             | PCR    | AsurDx™ Avian Parvovirus (APV) PCR Reagents  | APV 2050-RT          | 50T  |
| Avian Pasteurella multocida                  | PCR    | AsurDx™ Avian Pasteurella multocida (SPA) PCR Reagents   | SPA 2050-RT          | 50T  |
| Avian Reticuloendotheliosis                  | RT-PCR | AsurDx™ Avian Reticuloendotheliosis Virus (REV) PCR Reagents   | REV 2050-RT          | 50T  |
| Avian Vibrionic Hepatitis                    | PCR    | AsurDx™ Avian Vibrionic Hepatitis (AVH) PCR Reagents   | AVH 2050-RT          | 50T  |
| Campylobacter jejuni                         | PCR    | AsurDx™ Campylobacter jejuni (C-J) PCR Reagents  | CJ 2050-RT           | 50T  |
| Chicken White Scours / Salmonella Gallinarum | PCR    | AsurDx™ Chicken White Scours / Salmonella Gallinarum (SP/SG) Dual PCR Reagents                                   | SPSG 3050-RT         | 50T  |
| Chicken-Derived Ingredient                   | PCR    | AsurDx™ Chicken-Derived Ingredient PCR Reagents  | Chicken 2050-RT      | 50T  |
| Duck Hepatitis                               | RT-PCR | AsurDx™ Duck Hepatitis Virus (DHV) PCR Reagents  | DHV 2050-RT          | 50T  |
| Duck Parvovirus                              | PCR    | AsurDx™ Duck Parvovirus (DPV) PCR Reagents   | DPV 2050-RT          | 50T  |
| Duck Plague                                  | PCR    | AsurDx™ Duck Plague (DEV) PCR Reagents   | DEV 2050-RT          | 50T  |
| Duck Tembusu                                 | RT-PCR | AsurDx™ Duck Tembusu Virus (BYD) PCR Reagents  | BYD 2050-RT          | 50T  |

# Real-Time PCR Test Kits

| Assay                                       | Method | Product Name   | Catalog Number # | Spec |
|---|--------|--|------------------|------|
| Egg Drop Syndrome                           | PCR    | AsurDx™ Egg Drop Syndrome Virus (EDSV) PCR Reagents                            | EDSV 2050-RT     | 50T  |
| Fowl Pox Virus                              | PCR    | AsurDx™ Fowl Pox Virus (FPV) PCR Reagents                                      | FPV 2050-RT      | 50T  |
| Goose parvovirus                            | PCR    | AsurDx™ Goose parvovirus (GPV) PCR Reagents                                    | GPV 2050-RT      | 50T  |
| Infectious Anemia                           | PCR    | AsurDx™ Chicken Infectious Anemia Virus (CIAV) PCR Reagents                    | CIAV 2050-RT     | 50T  |
| Infectious Bronchitis                       | RT-PCR | AsurDx™ Avian Infectious Bronchitis (IBV) PCR Reagents                         | IBV 2050-RT      | 50T  |
| Infectious Bursal Disease                   | RT-PCR | AsurDx™ Avian Infectious Bursal Disease Virus (IBDV) PCR Reagents              | IBDV 2050-RT     | 50T  |
| Infectious Nasal Tracheitis                 | PCR    | AsurDx™ Avian Infectious Nasal Tracheitis (HPG) PCR Reagents                   | HPG 2050-RT      | 50T  |
| Marek's Disease Virus                       | PCR    | AsurDx™ Avian Marek's Disease Virus (MDV) PCR Reagents                         | MDV 2050-RT      | 50T  |
| Mycoplasma                                  | PCR    | AsurDx™ Mycoplasma (M.S) PCR Reagents  | Myco 2050-RT     | 50T  |
| Mycoplasma Gallisepticum (MG)               | PCR    | AsurDx™ Chicken Mycoplasma Gallisepticum (MG) PCR Reagents                     | MG 2050-RT       | 50T  |
| Mycoplasma Gallisepticum (MG)/Synoviae (MS) | PCR    | AsurDx™ Chicken Mycoplasma Gallibacterium (MG)/Synoviae (MS) Dual PCR Reagents | MGMS 3050-RT     | 50T  |
| Mycoplasma Synoviae (MS)                    | PCR    | AsurDx™ Chicken Mycoplasma Synoviae (MS) PCR Reagents                          | MS 2050-RT       | 50T  |
| Newcastle Disease                           | RT-PCR | AsurDx™ Newcastle Disease Virus (NDV) PCR Reagents                             | NDV 2050-RT      | 50T  |
|   | RT-PCR | AsurDx™ Newcastle Disease Virus Virulent Strain (NDV-M) PCR Reagents           | NDV M 2050-RT    | 50T  |
| Novel Goose Parvovirus                      | PCR    | AsurDx™ Novel Goose Parvovirus (N-GPV) PCR Reagents                            | NGPV 2050-RT     | 50T  |
| Parrot Fever                                | PCR    | AsurDx™ Parrot Fever (ORN) PCR Reagents  | ORN 2050-RT      | 50T  |
| Psittacosis                                 | PCR    | AsurDx™ Psittacosis PCR Reagents   | Psi 2050-RT      | 50T  |
| Salmonella                                  | PCR    | AsurDx™ Salmonella pullorum (SP) PCR Reagents                                  | SP 2050-RT       | 50T  |
|   | PCR    | AsurDx™ Salmonella Enteritidis (SPP.E) PCR Reagents                            | SPP.E 2050-RT    | 50T  |
|   | PCR    | AsurDx™ Salmonella Typhimurium (SPP.G) PCR Reagents                            | SPP.G 2050-RT    | 50T  |
| West Nile Virus                             | RT-PCR | AsurDx™ West Nile Virus (WNV) Real-Time PCR Reagents                           | WNV 2050-RT      | 50T  |

|                            |        |  |                  |     |
|----------------------------|--------|--|------------------|-----|
| Rabbit Hemorrhagic Disease | RT-PCR | AsurDx™ Rabbit Hemorrhagic Disease Virus Type 1 and Type 2 Dual PCR Reagents | RHDV 1-2 3050-RT | 50T |
|                            | RT-PCR | AsurDx™ Rabbit Hemorrhagic Disease Virus Type 2 PCR Reagents                 | RHDV 2 2050-RT   | 50T |
|                            | RT-PCR | AsurDx™ Rabbit Hemorrhagic Disease Virus (RHDV) PCR Reagents                 | RHDV 2050-RT     | 50T |

| Cryptosporidium                               | PCR    | AsurDX™ Cryptosporidium (CT) PCR Reagents   | CT 2050-RT          | 50T  |
| Feline Calicivirus                            | RT-PCR | AsurDX™ Feline Calicivirus (FCV) PCR Reagents   | FCV 2050-RT         | 50T  |
| Feline Chlamydia                              | PCR    | AsurDX™ Feline Chlamydia (CF) PCR Reagents  | CF 2050-RT          | 50T  |
| Feline Coronavirus                            | RT-PCR | AsurDX™ Feline Coronavirus (FCoV) PCR Reagents  | FCoV 2050-RT        | 50T  |
| Feline Herpesvirus                            | PCR    | AsurDX™ Feline Herpesvirus (FHV-1) PCR Reagents   | FHV-1 2050-RT       | 50T  |
| Feline Mycoplasma                             | PCR    | AsurDX™ Feline Mycoplasma (MF) PCR Reagents   | MF 2050-RT          | 50T  |
| Feline Parvovirus - Herpesvirus - Calicivirus | RT-PCR | AsurDX™ Feline Parvovirus, Feline Herpesvirus, Feline Calicivirus (FPV/FHV/FCV) Triple PCR Reagents | FPV-FHV-FCV 4050-RT | 50T  |
| Feline Parvovirus                             | PCR    | AsurDX™ Feline Parvovirus (FPV) PCR Reagents  | FePV 2050-RT        | 50T  |
| Giardia lamblia                               | PCR    | AsurDX™ Giardia lamblia (GI) PCR Reagents   | GI 2050-RT          | 50T  |
| Leukemia and AIDS                             | RT-PCR | AsurDX™ Leukemia and AIDS (FLV/FIV) Dual PCR Reagents   | FLV-FIV 3050-RT     | 50T  |
| Mouse minute virus                            | PCR    | AsurDX™ Mouse minute virus (MVM) PCR Reagents   | MVM 2050-RT         | 50T  |
| Mink Parvovirus                               | PCR    | AsurDX™ Mink Parvovirus (MEV) PCR Reagents  | MEV 2050-RT         | 50T  |
| Monkeypox Virus                               | PCR    | AsurDX™ Monkeypox Virus (MPXV) PCR Reagents   | MPXV 2050-RT        | 50T  |
| Mouse Pox Virus                               | PCR    | AsurDX™ Mouse Pox Virus (MPV) PCR Reagents  | MPV 2050-RT         | 50T  |
| Mycoplasma and Chlamydia                      | PCR    | AsurDX™ Mycoplasma and Chlamydia Dual PCR Reagents  | MH-CH 3050-RT       | 50T  |
| Rabies Virus                                  | RT-PCR | AsurDX™ Rabies Virus (RV) PCR Reagents  | RV 2050-RT          | 50T  |
| Sendai Virus                                  | RT-PCR | AsurDX™ Sendai Virus (SeV) PCR Reagents   | SeV 2050-RT         | 50T  |
| Toxoplasma                                    | PCR    | AsurDX™ Toxoplasma (TOX) PCR Reagents   | PTOX 2050-RT        | 50T  |

## AQUATIC

| Assay   | Method | Product Name   | Catalog Number #     | Spec |
|---|--------|--|----------------------|------|
| Carp Edema Virus  | PCR    | AsurDX™ Carp Edema Virus (CEV) PCR Reagents  | CEV 2050-RT          | 50T  |
| Carp Herpesvirus  | PCR    | AsurDX™ Carp Herpesvirus (CyHV) PCR Reagents   | CyHV 2050-RT         | 50T  |
| Clonorchis sinensis   | PCR    | AsurDX™ Clonorchis sinensis (CS) PCR Reagents  | CS 2050-RT           | 50T  |
| Fish Aeromonas Hydrophila   | PCR    | AsurDX™ Fish Aeromonas Hydrophila (AHY) PCR Reagents   | AHY 2050-RT          | 50T  |
| Fish Epizootic Hematopoietic Necrosis Virus                         | PCR    | AsurDX™ Fish Epizootic Hematopoietic Necrosis Virus (EHNV) PCR Reagents  | EHNV 2050-RT         | 50T  |
| Fish Iridovirus, Frog Iridovirus (GIV/RGV)                          | PCR    | AsurDX™ Fish Iridovirus, Frog Iridovirus (GIV/RGV) Dual PCR Reagents   | GIV-RGV 3050-RT      | 50T  |
| Fish Iridovirus, Frog Iridovirus, Flatfish Iridovirus               | PCR    | AsurDX™ Fish Iridovirus, Frog Iridovirus, Flatfish Iridovirus (GIV/RGV/LDV) Triple PCR Reagents                  | GIV-RGV-LDV 4050-RT  | 50T  |
| Fish Iridovirus, Large Mouth Bass Virus, Lymphocystis Disease Virus | PCR    | AsurDX™ Fish Iridovirus, Large Mouth Bass Virus, Lymphocystis Disease Virus (GIV, LMBV, LDV) Triple PCR Reagents | GIV-LMBV-LDV 4050-RT | 50T  |
| Frog Iridovirus (RGV)   | PCR    | AsurDX™ Frog Iridovirus (RGV) PCR Reagents   | RGV 2050-RT          | 50T  |
| Grass Carp Hemorrhagic Virus (GCHV)                                 | RT-PCR | AsurDX™ Grass Carp Hemorrhagic Virus (GCHV) PCR Reagents   | GCHV 2050-RT         | 50T  |
| Koi Herpesvirus   | PCR    | AsurDX™ Koi Herpesvirus 2 (CyHV-2) PCR Reagents  | CyHV-2 2050-RT       | 50T  |
| Marine Palaemon Shrimp  | PCR    | AsurDX™ Marine Palaemon Shrimp (PM) PCR Reagents   | PM 2050-RT           | 50T  |
| Olsen Pseudoklossia   | PCR    | AsurDX™ Olsen Pseudoklossia (PO) PCR Reagents  | PO 2050-RT           | 50T  |
| Red Sea Bream Iridovirus (RSIV)                                     | PCR    | AsurDX™ Red Sea Bream Iridovirus (RSIV) PCR Reagents   | RSIV 2050-RT         | 50T  |
| Rhabdovirus (FARV)  | RT-PCR | AsurDX™ Rhabdovirus (FARV) PCR Reagents  | FARV 2050-RT         | 50T  |
| River Crab Tremor Disease   | RT-PCR | AsurDX™ River Crab Tremor Disease (RCTD) PCR Reagents  | RCTD 2050-RT         | 50T  |
| Staphylococcus aureus   | PCR    | AsurDX™ Staphylococcus aureus (Sa) PCR Reagents  | Sa 2050-RT           | 50T  |
| Striped Catfish Rhabdovirus   | RT-PCR | AsurDX™ Striped Catfish Rhabdovirus (SCRV) PCR Reagents  | SCRV 2050-RT         | 50T  |
| Tilapia Lake Virus  | RT-PCR | AsurDX™ Tilapia Lake Virus (TiLV) PCR Reagents   | TiLV 2050-RT         | 50T  |
| Tilapia Streptococcus - Fish Dolphin Streptococcus                  | PCR    | AsurDX™ Tilapia Streptococcus - Fish Dolphin Streptococcus (OS/FSI) Dual PCR Reagents                            | OS-FSI 3050-RT       | 50T  |
| Vibrio Parahaemolyticus   | PCR    | AsurDX™ Vibrio Parahaemolyticus PCR Reagents   | VP 2050-RT           | 50T  |
| Viral Hemorrhagic Septicemia Virus                                  | RT-PCR | AsurDX™ Viral Hemorrhagic Septicemia Virus (VHSV) PCR Reagents   | VHSV 2050-RT         | 50T  |
